INTRODUCCIÓN

Nuestra colección del 2023 está inspirada en el “MADE IN SPAIN” porque hoy se valora más que nunca todo lo artesanal, por eso, en nuestros perfiles podréis encontrar un amplio rango de texturas y acabados muy especiales.

Eso, unido a que optamos por trabajar con materiales naturales siguiendo las tendencias actuales de sostenibilidad, respeto y responsabilidad con nuestro entorno, hacen de nuestra colección una firme apuesta por las tendencias en decoración más actuales del momento.

¿Quienes somos?

"Mi pasión por la enmarcación, me ha llevado a recorrer el mundo en busca de belleza, he podido conocer a verdaderos artesanos y artistas, viajar a los lugares más interesantes para buscar materiales, texturas, acabados y tendencias y del resultado de todas estas vivencias nacen nuestras colecciones de molduras, creadas con pasión para conseguir la satisfacción de nuestros clientes"

MONTXO OIARBIDE
